EVERY MOMENT

Saffire
FREYCINET
EVERY MOMENT

The Saffire experience is made up of moments. Meaningful moments that capture the essence of Saffire and its close connection to the Freycinet area.

Moments as complex as the luxurious pleasures of a day spa experience, or as simple as toes feeling the squeaky white sand. As inspiring as the sunset splashed across the Hazards, and as intimate as the morning sun creeping up the wall of your suite.

The moments can be as unique as wading out to partake of fresh oysters in the waters of a nearby estuary, or as surprising as realising your wine glass hasn’t been empty since sitting down to dinner.

Only Saffire has these moments. By delivering them, we are celebrating what is different about Saffire – not what is the same.

EVERYTHING SEEMED TO HAVE A LOCAL CONNECTION – A FARM DOWN THE ROAD, THE VINEYARD OVER THE HILL, SEAFOOD PULLED DRIPPING FROM THE BAY THAT AFTERNOON.

PALATE

Saffire is situated in an area of Tasmania’s East Coast that has an enviable reputation for premium aquaculture and agriculture. Local fishing villages supply a daily parade of crayfish, scallops and deep-sea fish lifted dripping off the boats. Plump oysters and mussels are farmed in the pristine waters of Great Oyster Bay. Palate restaurant provides tailor-made gourmet moments that enhance the genuine flavours of home-grown produce. The best of Tasmania’s grass-fed beef and lamb, full-flavoured game meats, fresh herbs and spices and seasonal fruit and vegetables are chosen daily by our chefs to craft cuisine that accentuates the best of premium local produce.

Both our degustation and à la carte menus change nightly to add to the sense of occasion when dining at Saffire.
