SCORE MELBOURNE'S BEST TABLES

📍 CROWN METROPOL, VIC

Youthful and edgy, Crown Metropol has the restaurant to match in Mr Hive. Buffet breakfasts beneath the supersized modern chandeliers are an exercise in indecision (will it be the omelette station or the French pastries – or both?). Later in the day, the plush leather couches are the inviting setting for cocktails with a twist – whether it's an espresso martini with vanilla vodka and salted caramel or a "Mrs Hive" margarita with strawberry purée adding a sweet curveball. Stepping out? "You'll be just a few minutes on foot from all the top riverside restaurants like Rockpool, Nobu and Atlantic," says Crown Hotels general manager Shaun D'Cruz. "Just ask the concierge to make you a booking." Or swim against the tide and explore the village-like 'hood of South Melbourne, with dining hotspots such as the boldly innovative Lûmé, with its dégustation of foraged ingredients, or the classical European wine bar Bellota.

STAY 1 night for 2 adults in a Luxe King Room.

TASTE THE REAL TASMANIA

📍 SAFFIRE FREYCINET, TAS

A dining room with one of the most magnificent views in Tasmania, Saffire Freycinet's Palate restaurant looks over Coles Bay to the pink granite peaks of the Hazards. It delivers an equally unforgettable taste of the east coast with dishes such as white-soy-braised abalone in a sticky pork glaze and black mussel escabeche with potato and leek mousse and chilli oil. The perfect crescent of nearby Wineglass Bay is a must-visit but don't miss the smorgasbord of unforgettable food experiences on offer. Extract honeycomb from the lodge's own hives or don waders to enjoy freshly shucked oysters, plucked straight from the water at Freycinet Marine Farm, while sipping a glass of Tassie bubbly. And if you don't feel like leaving your luxe pavilion (we certainly can't blame you), one of the lodge's acclaimed chefs can cook for you right there in your private kitchen.
