These delicious destinations are worth travelling for – and you'll pack in even more value when you book with Qantas Points.

SCORE MELBOURNE'S BEST TABLES

📍 CROWN METROPOL, VIC

Youthful and edgy, Crown Metropol has the restaurant to match in Mr Hives. Buffet breakfasts beneath the supersized modern chandeliers are an exercise in indulgence (will it be the omelette station or the French pastries – or both?). Later in the day, the plush leather couches are the inviting setting for cocktails with a twist – whether it's an Espresso Martini with vanilla vodka and salted caramel or a Mrs Hives Margarita with strawberry purée adding a sweet curveball. Stepping out? "You'll be just a few minutes on foot from all the top riverside restaurants like Rockpool, Nabu and Atlantic," says Crown Hotels general manager Shoun D'Cruz. "Just ask the concierge to make you a booking." Or swim against the tide and explore the village-like "hood of South Melbourne, with dining hotspots such as the boldly innovative Lumé with its dégustation of foraged ingredients or the classic European wine bar Bella.

TASTE THE REAL TASMANIA

📍 SAFFIRE FREYCINET, TAS

A dining room with one of the most magnificent views in Tasmania, Saffire Freycinet's Palate restaurant looks over Coles Bay to the pink granite peaks of the Hazards. It delivers an equally unforgettable taste of the east coast with dishes such as white-soy-braised abalone in a sticky pork glaze and black mussel escabeche with potato and leek mousse and chilli oil. The perfect crescent beach of nearby Wineglass Bay is a must-visit but don't miss the smorgasbord of unforgettable food experiences on offer. Extract honeycomb from the lodge's own hives or dan waders to enjoy freshly shucked oysters, plucked straight from the water at Freycinet Marine Farm, while sipping your glass of Tassie bubbly. And if you don't feel like leaving your luxe pavilion (we certainly can't blame you), one of the lodge's acclaimed chefs can cook for you right there in your private kitchen.
